

# Your **Scheme**

# The Anglovaal Group Medical Scheme is a registered medical scheme under the Medical Schemes Act 1998.

The Scheme is a restricted access medical scheme that reserves membership for employees of participating employers. A board of trustees, that represents the employers and members, governs the Scheme. The trustees are appointed to ensure the financial soundness of the Scheme and to protect members' interests. The Scheme currently holds reserves that are well above the required minimum solvency levels, attesting to its prudent management.

Contributions for each month				
Income band		Medical scheme	Medical Savings Account	Total
Below R4 600	Main member	R1 917	R478	R2 395
	Adult	R1 917	R478	R2 395
	Child	R592	R148	R740
R4 601 – R9 100	Main member	R2 243	R560	R2 803
	Adult	R2 243	R560	R2 803

	Adult	R2 438	R609	R3 047
	Child	R747	R186	R933
R13 601 – R18 100	Main member	R2 584	R647	R3 231
	Adult	R2 584	R647	R3 231
	Child	R788	R197	R985
Above R18 101	Main member	R2 647	R661	R3 308
	Adult	R2 647	R661	R3 308
	Child	R801	R199	R1 000

### What the terms we use mean

**PMBs:** Prescribed Minimum Benefits are a set of conditions for which all medical schemes must provide a basic level of cover.

This basic level of cover includes the costs for the diagnosis, treatment and ongoing care of these conditions.

### Designated service provider:

A healthcare provider (for example doctor, specialist, pharmacist or hospital) with whom we have an agreement to provide treatment or services at a contracted rate.

**Cost:** Fees charged by a provider that are more than the Scheme Rate. The Scheme pays at 100% of the Scheme Rate for in-hospital events.

*MSA:* Medical Savings Account, according to Anglovaal Group Medical Scheme rules.

**Scheme Rate:** The rate at which the Scheme pays back providers for providing health services. All benefits are covered at 100% of the Scheme Rate unless otherwise indicated.

# Your **benefits** for 2021

## **Hospital benefits**

The Hospital Benefit covers you when you are admitted to hospital and the Scheme has confirmed your admission and treatment.

## Cover for day-to-day medical expenses

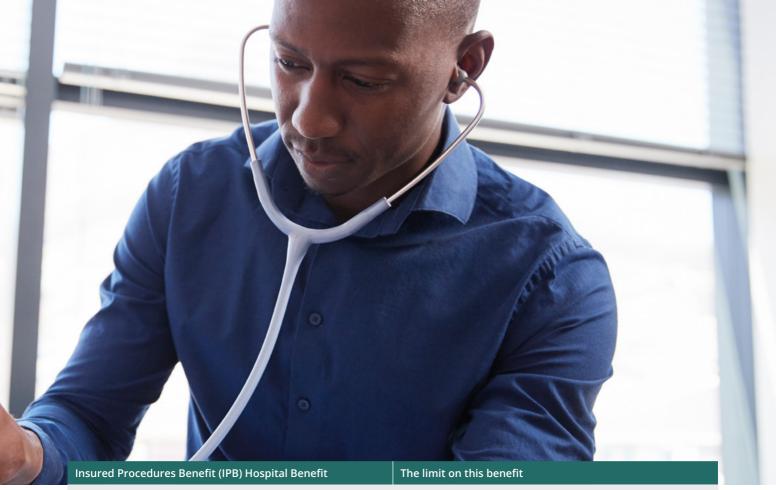

We pay your day-to-day expenses from your Insured Procedures Benefit or from the available funds in your Medical Savings Account.

## **Cover for prescribed minimum benefits**

In terms of the Medical Schemes Act and its regulations, all medical schemes have to cover the costs related to the diagnosis, treatment and care of any life-threatening emergency medical condition, a defined set of 270 diagnoses as well as 26 chronic conditions. These conditions and their treatments are known as the Prescribed Minimum Benefits (PMBs).

Hospital Benefit	The limit on this benefit	
Please authorise all admissions beforehand Note: the Scheme's in-hospital clinical protocols will apply		
Admission for non-Prescribed Minimum Benefits (non-PMBs)	<ul><li>Unlimited</li><li>General ward at a private or state facility or day clinic</li><li>Scheme Rate</li></ul>	
Emergency evacuation (road or air) Subject to authorisation (Note: this excludes planned transfers)	R71 881 per family	
Insured Procedures Benefit (IPB)	The limit on this benefit	
No hospital admission required. Please authorise all procedures beforehand. The Scheme's clinical protocols will apply. After reaching the IPB limit, the balance of the account can be paid from the Medical Savings Account.		
Oncology (including chemotherapy and radiotherapy)	R379 869 per family each year	
Stoma therapy and hospice	R11 631 per family each year	
Audiology, including hearing aids	R23 263 per family each year	
Ambulance services	R8 820 per family each year	
External appliances, including artificial limbs and medical equipment such as glucometers	R8 820 per family each year	
MRI and CT scans and radio-isotope scans	R20 451 per family each year	
Outpatient surgical and endoscopic procedures (vasectomy, gastroscopy, colonoscopy, cystoscopy, etc)	R17 584 per family each year	
Home nursing or step-down after hospitalisation	No limit - Managed through the Care Co-ordination Program	
Advanced Illness Benefit for oncology patients	Unlimited per patient, subject to clinical criteria	
Basic dentistry	R661 per beneficiary each year	

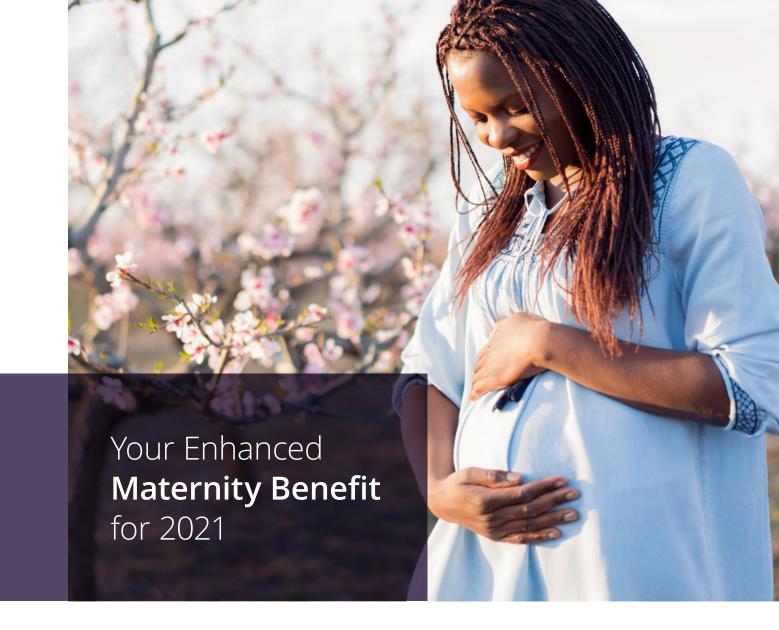

No hospital admission required. Please authorise all procedures beforehand. The Scheme's clinical protocols will apply. After reaching the IPB limit, the balance of the account can be paid from the Medical Savings Account.

Screening test (blood glucose test, blood pressure test, cholesterol test and body mass index (BMI) at a Scheme Wellness Pharmacy)	One per year at Scheme rate for group of tests
Additional screening test (mammogram, pap smear, PSA (a prostate screening test) and HIV blood tests – subject to PMBs guidelines)	One test for each beneficiary per family
Seasonal flu vaccine	One vaccine for each beneficiary who meets the clinical criteria

Non-hospital Benefit		The limit on this benefit
All day-to-day expenses, such as:		
<ul> <li>Acute medicine</li> <li>Chiropractors</li> <li>Clinical psychology</li> <li>Dentistry</li> <li>GP visits</li> <li>Homeopathy</li> <li>Mental health</li> <li>Occupational therapy</li> </ul>	<ul> <li>Optical</li> <li>Over-the-counter medicine</li> <li>Pathology</li> <li>Private nursing</li> <li>Physiotherapy</li> <li>Radiology</li> <li>Specialist visits</li> <li>Speech therapy</li> </ul>	All benefits are limited to funds in the Medical Savings Account

This brochure is a summary of the benefits and features of Anglovaal Group Medical Scheme, pending formal approval from the Council for Medical Schemes. This brochure gives you a brief outline of the benefits that Anglovaal Group Medical Scheme offers. This does not replace the Scheme rules.

The Registered Scheme rules are legally binding and always take precedence.

## **Maternity Programme**

For expecting mothers and children under the age of 2 years, a defined basket of both pre-and post-natal care becomes available upon registration on the Maternity Programme. The Scheme will cover these up to the Scheme Rate, which will not affect your day-to-day benefits.

Enhanced Benefit	Benefit entitlement
Ante-natal classes and consultations	5
Gynaecologist or GP visits during pregnancy	8
2D Ultrasound scans	2
Blood tests	Simple basket
Pre-natal screening test	1
Private ward cover	2 nights (natural delivery) / 3 nights (caesarean section)
Post-partum Gynaecologist visit	1
ENT/Paediatrician visit	2
Lactation consultation	1
Post-natal dietician consultation	1
Post-natal Psychologist or counsellor visits	2
Essential devices	R5 512 with 25% co-payment

# Your chronic illness benefit for 2021

The Chronic Illness Benefit covers approved medicines for the 27 Prescribed Minimum Benefit (PMB) Chronic Disease List (CDL) chronic conditions, including HIV and AIDS. We will pay your approved chronic medicine in full if it is on the Anglovaal Group Medical Scheme medicine list (formulary). If your approved medicine is not on our list, we will pay your chronic medicine up to a set monthly Chronic Drug Amount (CDA) for each medicine category.

In addition, the Scheme covers an additional 12 chronic conditions. For these Additional Disease List (ADL) conditions, there is no medicine list (formulary). Approved medicine will be paid up to a set monthly Chronic Drug Amount (CDA) for each medicine category.

If you use a combination of medicines in the same category, where one medicine is on the medicine list and the other is not, we will pay for the medicines up to the one monthly Chronic Drug Amount (CDA) for that medicine category.

You must apply for chronic cover by completing a Chronic Illness Benefit application form with the help of your doctor and submitting it for review. You can get this form from the Scheme's website or by calling **0860 100 693**. For a condition to be covered from the Chronic Illness Benefit, there are certain benefit entry criteria that you need to meet.

## Treatment and care for (CDL) conditions

If your CDL condition is approved, as a PMB condition, the Chronic Illness Benefit will cover certain procedures, tests and consultations for the diagnosis and ongoing management of your condition in line with Prescribed Minimum Benefits requirements. The Scheme will cover these tests and procedures up to the Scheme Rate, which will not affect your day-to-day benefits. To make sure that we pay your claims from the correct benefit, we need the claims from your healthcare providers to be submitted with the relevant ICD-10 diagnosis code(s). Please ask your doctor to include your ICD-10 diagnosis code(s) on the claims they submit and on the form that they complete, when they refer you to the pathologists and/or radiologists for tests. This will enable the pathologists and radiologists to include the relevant ICD-10 diagnosis code(s) on the claims they submit to ensure that we pay your claims from the correct benefit.

# You need to let us know when your treatment plan changes

You do not not have to complete a new Chronic Illness Benefit application form when your treating doctor changes your medicine during the management of your approved chronic condition, however, you do need to let us know when your doctor makes these changes to your treatment so that we can update your chronic authorisation. You can email the prescription for changes to your treatment plan for an approved chronic condition to CIB APP FORMS@ discovery.co.za or fax it to 011 539 700. Alternatively, your doctor can submit changes to your treatment plan through HealthID, provided that you have given consent to do so. If you do not let us know about changes to your treatment plan, we may not pay your claims from the correct benefit. Should you be diagnosed with a new chronic condition, a new Chronic Illness Benefit application form would need to be completed.

### **Diabetes programme**

The Diabetes Programme is offered by the Centre for Diabetes and Endocrinology. This programme is available to diabetics, who can benefit from a multidisciplinary approach to managing diabetes. The team consists of diabetic specialists, diabetic educators, dietitians, podiatrists, a resident clinical psychologist and an exercise specialist.

To access this benefit, please complete a Chronic Illness Benefit application form and send it to us for review. Once registered on the Chronic Illness Benefit for diabetes, you can register with the Centre for Diabetes and Endocrinology by calling 011 712 6000.

### **Advanced Illness Benefit programme**

This programme is offered to oncology patients in the advanced stage of the illness, subject to the patients meeting clinical entry criteria.

This benefit is unlimited and gives patients access to palliative care by a multidisciplinary team. The basket of care can cover medicine, oxygen, psychosocial support, nursing care, hospice, pain management, radiology, pathology and physiotherapy. The care will be based on the treatment plan submitted by the doctor and approved by the Scheme.

The costs of the programme do not have an impact on the member's day to day benefits.

### **HIV** antiretroviral information

Dischem is the preferred provider for dispensing antiretroviral medicine. If you do not use the preferred provider, the Scheme will pay your monthly antiretroviral medicine up to the Scheme Rate.

Prescribed Minimum Benefit (PMB) Chronic Disease List (CDL) Conditions		
Addison's disease	Dysrhythmias	
Asthma	Epilepsy	
Bipolar mood disorder	Glaucoma	
Bronchiectasis	Haemophilia	
Cardiac failure	HIV and AIDS *
